Saturday, July 30 th was a great day for a cruise! And cruise we did! Stewart Fox once again led the caravan from Dulles Town Center (although we got to sleep in this week and didn't have to meet till 11 am). Joining the 'early birds' were Chris Fox, Don Ellenberger, Dana Root, Carol Jones, Mike, and Jack & yours truly. We got to Franklin Park just as they started handing out numbers, and got numbers in the single digits – although the rush for the limited dash plaques didn't begin till 2 pm.

I'm happy to report that Rose IV earned her first dash plaque! We got primo parking on the asphalt next to an island with a tree for shade, and Mike had brought his canopy, which kept us cool all day. Other late NVCC risers joined us there, including Rich & Rita Mars and Paul Cestone. Once again, it was a great show, with a huge variety of cars, and all FREE! However they had great raffles and shirts and food, and all proceeds this year will be donated to to the C. S. Monroe Technology Center's Automotive Program and to the Tree of Life Food Pantry in Purcellville, VA. Sneak preview pictures attached. Watch for official photos soon at <http://www.summerthundercruisein.com/photos.html>.

Bylaws and the Evolution of NVCC to Better Serve Its Members --- YOU

This month I again urge you to check out the proposed new bylaws posted on the NVCC website. The revisions were overdue and will save the club hundreds if not thousands of dollars in operating expenses, while expedite decision making.

Please take a moment to review and provide any comments on the proposed changes to the President, Stewart Fox.

president@nvcorvetteclub.com

Volunteer For NVCC Positions

This past month NVCC gained a new secretary and a new historian, two crucial positions for day to day operation of NVCC. The need for volunteers is constant, whether for the various positions constituting the elected and appointed members of the council, or to help operate the numerous NVCC events throughout the year. Experience is seldom needed in these roles, just the willingness to step forward to help. Please consider volunteering for positions and to work events throughout the year to help keep NVCC a growing and active club.

PRESIDENT'S CORNER July 2011

August has been hectic for me, as I sure it has for most of you. On July 30, my son and I managed to find a few hours to lead the NVCC pack out to the Summer Thunder car show at Franklin Park in Purcellville. And once again, I lead the caravan from Dulles Town Center so that NVCC could arrive as a group and stake out our preferred parking location, centered around the one lonely shade tree in the parking lot. We quickly popped a canopy and were the envy of all the other car guys. It was a hot Saturday afternoon but the NVCC folks were cooling their jets in the shade as the rest of the parking lot filled with all manner of hot rod and go-fast machine. Later that evening, I managed to slip away for a week's vacation, away from work, and believe it or not, away from most of my NVCC duties. All in all, I needed a little down time.

I want to mention that we held a Special Election at the July GBM to fill the Secretary position since Jerry had to step down for the remainder of the year. Alice Arielly graciously stepped forward to nominate herself and was duly elected to hold the position for the remainder of 2011. I am also pleased to announce that Bob Devery has stepped in to take over the position of Historian. It's great that we have been able to fill these two key positions with such capable members.

As I also mentioned in last month's newsletter, the NVCC Council worked hard to edit the club's By-laws for the first time in several years. An unusually large number of proposed amendments have been compiled in an effort to keep the by-laws relevant and up-to-date. The bylaws, with proposed changes, have been posted to the website for review and comment. Please take a few minutes to look over the proposed amendments and let Council know if you have any comments. A vote to accept the bylaws will be held at the October GBM.

A quick thank you goes out to Steve Britt of Old Dominion Speedway help stopping by the July GBM and talking to NVCC members about the history of ODS and some of the possible changes that are being considered. One very important point that Steve made is that he hopes to maintain the sole racing venue in Northern Virginia for many years to come. As always, Steve invited NVCC members to attend any of the Wednesday, Friday, and Saturday racing events held weekly at ODS.

One thing that I am marveling at this summer is the number of folks that are applying for membership with NVCC. We are getting a modest but steady stream of applications each week, thanks in part to the good folks at Jim McKay that are terrific at getting the word out about NVCC to their customers. I think it is great that the club and the dealership are supporting each other so well. As club members, remember that if your Corvette or other GM product needs service or repair, the folks at McKay are ready and able to take care of you.

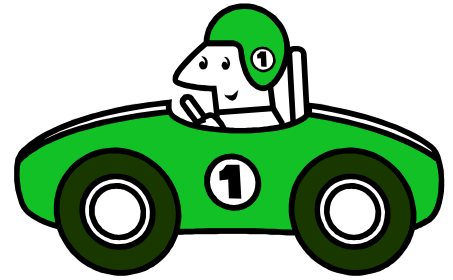

Believe it or not, Spooktacular 2011 is just weeks away. It will be held at ODS on October 22 and 23 this year, using the same low-speed Saturday and hi speed Sunday format that we ran last year. This is a big annual event for NVCC and this year is no exception. If you would like to compete, check out the registration information on the NVCC website. If you are available to help with any of the positions needed to run the event, please let me know at: Spooktacular@nvcorvetteclub.com.

It's getting close. Don't forget the Baltimore Grand Prix will be held over Labor Day weekend in September. Racing will include Mazda Series, Indy Lights, and ALMS; including the Corvette Racing GT-2 entry. Rick Poage is spearheading the effort to coordinate registration of NVCC members in order to qualify for paddock access. Additional information is listed on the NVCC website. If you would like to contact Rick directly, drop him an email at: stompandgo@earthlink.net.

Thanks for being a part of NVCC. I look forward to seeing all of you at our next event.

Check the brake fluid, change the oil, put a little air in the tires, rub on some wax, and hang on for another action packed season with your friends at NVCC. Come out and join the fun !

Wed. 9/14/11 – Colonial Challenge Cup HPDE. Colonial Challenge Cup Inc is a charity dedicated towards raising funds for the Boys and Girls Clubs of Annapolis and Anne Arundel County and certain other schools and organizations that support the education and development of children and young adults.

The CCC has raised over \$182,000 in direct contributions to various programs offered by the Boys and Girls Clubs of Annapolis and Anne Arundel County including the Annapolis Boys and Girls Scholarship Trust, the Keystone Club, the Photography Club and the Gordonstoun International Summer School in Scotland. Over the last eleven years over thirty seven students have been provided with financial assistance to attend Universities and colleges of further education.

Financial support has also been provided to Phillips Programs which is a non-profit, private organization serving the needs of individuals with emotional and behavioral problems and their families through education, family support services, community education and advocacy.

A TRACK DAY IS...

Enjoying your vehicle on the track without the restrictions of everyday traffic and the standard road obstacles like the police, Sunday drivers and Mini Vans.

It provides an opportunity to drive your own vehicle on a track and learn new driving skills, revitalize the ones you have forgotten and apply the ones you will learn "correctly" in a controlled environment with a professional instructor at your side.

SUMMIT POINT TRACK, the "Big Track", is over two miles in length with 10 demanding corners including a series of S-turns through the carousel, which will be both challenging and very rewarding for those of you that adhere to your instructor's advice. Additionally, you will be briefed by instructors in a classroom environment about the rules and regulations prior to embarking onto the track with your instructor. "Safety First Always". After each session you will be debriefed on your performance and ways to improve your driving skills. You may also qualify to drive solo if approved by your instructor. Full details will be in the program.

Registration closes on 9/1/11 – go to <http://colonialchallengecup.com/sitemap.aspx> to register and pay online or download/print the registration form at the following link: http://colonialchallengecup.com/Documents/Trackday9_14_2011.pdf. Please note that this track day is on a Wednesday, so take a day off from work! Also note that this track day is fully tax-deductible!

Sunday Brunch Cruise
by Laurie Kistner

On Sunday, August 21st, 2011, several NVCC members saw fit to blow the carbon out of their motors on a drive to the Fireside Grill in Lorton, Virginia for brunch. We started in Centreville and carved curves through Clifton, Fairfax Station, and Springfield, Virginia. The shady canopy roads were a welcome respite from the warm, muggy day.

Fireside surprised us with 'Corvette Only' parking for us right in front of the restaurant. However, the heavily tattooed owner of the Crossfit gym next door was none too pleased and made it very well known. Rather than show off my Insanity and P90X moves, I referred him to the manager.

Once inside, happy brunchers munched on beef tenderloin, BBQ ribs, omelettes, waffles, salads, breakfast items, and desserts. Perhaps we should have "made nice" with the gym owner next door for some free memberships after that meal?

After we gorged ourselves, we departed for Cruise Part Deux - a whole other set of roads for everyone to enjoy. Chapel Road (aka 'The Clifton Rollercoaster') is lots of fun on a full stomach. The drive ended around 2 PM, with plenty of time for everyone to get home and put their toys away before the rains hit.

Thanks to everyone for coming out, hope you enjoyed yourselves!

Cheers,
Laurie Kistner

NVCC Goes International

As many of you know from the recent need to replace our secretary, our own Jerry Lelansky has gone forth to preach the finer points of automotive detailing to the great unwashed military fleet “over there”. Two pics from his continuing odyssey. The first from the Marine Corps Museum displaying his new pride and joy before leaving and the second from....well if you have to ask where, you really need to follow the news more closely.

Laurie Kistner: Social / Webmaster
Dan Walker: Jim McKay Chevrolet

The meeting was called to order by President Stewart Fox.

Stewart Fox introduced Guest speaker Steve Britt, Owner of Old Dominion Speedway.

Steve Britt gave a brief talk about what it is like owning a speedway, his concerns for the future of the speedway and the direction of racing today. Steve mentioned he has been looking for a place to relocate ODS and assured us that ODS would remain open.

Steve thanked NVCC for our activities at ODS and encouraged us to continue visiting, patronizing, and holding events at ODS.

Steve went on to tell us that ODS opened in 1948 as a dirt track oval and in 1952 the drag strip opened as the first drag strip on the east coast.

Stewart handed out NCCC awards to NVCC members who were not present when Andrej announced them at the June GBM.

Newsletter News ...

Hey how about that earthquake? I was just wrapping up this month's installment when the quake hit, so that is my excuse for being late. It beats saying my dog ate it.....right?

Anyway another month has slipped away and with it many great corvette moments. While summer is rapidly fleeting, there are still many corvette events left on the schedule, so consult the social calendar and plan to attend some...and if you do, please send me your pics for publication.
