VETERANS DAY SPECIAL EDITION

WARRIOR TRANSITION BRIGADE CAR SHOW

Hosted by the USO, Walter Reed Medical Facility
Bethesda, MD

Coordinated by Paul & Monica Fineberg

Proudly Sponsored By:

6500 Little River Turnpike
Alexandria, VA 22312

Our Northern Virginia Corvette Club with the assistance of the Corvette Club of America (Maryland) gathered at the Walter Reed Medical Facility in Bethesda, MD on 08 September for an informal car show and “cook-out” to support our wounded “warriors” and their families who were spending the weekend with their loved ones on the base.

This was the third annual event at the Walter Reed Base,

but the first with the direct involvement, participation and supervision of the United Service Organizations (USO) as the host of the event. The USO provided all of their facilities to conduct this event, and what an outstanding facility it is...!!!! Not enough exclamation points can follow the previous sentence to portray the quality of service the USO provides to the troops and their families at Walter Reed facility. Beautiful building to house all of the activities; outside picnic area with tables, chairs, lounges and a fire-pit; complete kitchen facilities and serving area to put on a buffet lunch for the troops, and a staff of people always on call to assist with anything necessary to make the event successful... and **SUCCESSFUL IT WAS!!!!!!**

WARRIOR TRANSITION BRIGADE CAR SHOW—Cont'd.

Verbatim statement from the

USO Director: “In the four years that this new facility has been here, this event put on by NVCC/CCA was the most successful event ever in terms of quality, number of people who turned out, number of people served a gourmet freshly grilled lunch with all the fix’ins... (172 people served) and the total support of all of the members who were

there to serve the troops, cook the food, clean up the area, and leave the area in pristine/spotless condition when complete. Club members even gathered up and took all of the trash ¼ mile down

the street to the dumpsters to ensure the USO was left in pristine condition as it was when we arrived. Outstanding effort by all who volunteered and helped to make this a huge success!!”

We had a total of 34 cars partici-

partate in the event, and were also successful in filling up “Generation Row”, in front of the USO....with the help of three different clubs to make it happen. Thank you to Piedmont, ODCC and CCA for making that happen. C1 thru C7 were smartly displayed to show the people who attended the history of the Corvette from the 50’s C-1 to the 21st century C7.

WARRIOR TRANSITION BRIGADE CAR SHOW—Cont'd.

Personal thanks from Paul Fineberg (Event Coordinator) to all that helped make this a successful event and for pitching in to help direct traffic, man the grills to cook the massive amount of food we put out (it all went.....) and to the wives and members who manned the kitchen and organized the buffet food line inside of the USO facility and kitchen area.
