'GLASS GAZETTE

NVCC AT CORVETTES AT CARLISLE

For those that missed the 2021 Corvettes at Carlisle, you missed one to remember. The Corvette Engineering Team was back to answer your questions and show off the underpinnings and capabilities of the C8. Most of the vendors had returned and our Club members were out scavenging (sometime successfully) for spare parts on their Classics.

Some of our members had spaces on the Show Field or even in the premiere Chips Circle area. But I would argue that the real fun was back at big NVCC Club tent where the air was cooler and we had a constant breeze.

Much of the fun was just hanging out at the NVCC tent followed by the dinners and parties after each day at the show. Your President brought one bottle of bubbly, one bottle of bourbon and a couple of bottles of wine that were quickly met with bottles of rum, gin, vodka, whisky and sundry wine bottles. This is a club that know how to turn on the tunes and party.

No wine, beer, any alcohol or non-alcohol bottles were harmed this weekend. They were quietly (or non-quietly) lain to rest.

Who says Carlisle isn't a CORVETTE town?

THE BIG LOOP

Contributed by George Durk

Although most of us live in the densely populated Northern Virginia suburbs surrounding DC, we are so fortunate to have beautiful mountain country no more than an hour away. I like to take advantage of how our roads accommodate this rich topography.

On Sunday, September 19, some eager NVCC'ers met for a kind of impromptu cruise into Virginia and West Virginia Mountain country. Technically, it wasn't on the Club's calendar, but a request for interest was sent a week or so in advance.

Six cars met at 9:00 am on a beautiful Sunday morning at our usual gathering place at the Cracker Barrel in Manassas and we rendezvoused with four more at the Stephens City Sheetz. The cruisers were:

- Craig Davis
- Danyelle Davis
- Rustom Desai
- Jim Dobish & Jane Stieber
- George Durk
- Dave Fraley
- Jeff Klain
- Jim McKay
- Mike Moore
- John Provost

- 1995 Arctic White Coupe
- 2009 Black Coupe
- 2019 Sebring Orange Z06 Convertible
- 2008 Black Indy Pace Car Coupe
- 2014 Night Race Blue Z51 Coupe
- 2005 Daytona Sunset Orange Coupe
- 2001 Millennium Yellow Z51 Coupe
- 2020 Arctic White Z51 Coupe
- 2014 Lime Rock Green Coupe
- 2021 Silver Flare Convertible

Westward we headed into WV and picked-up Old WV 55 on the outskirts of Wardensville. We had all 26 miles of its twisties to ourselves!

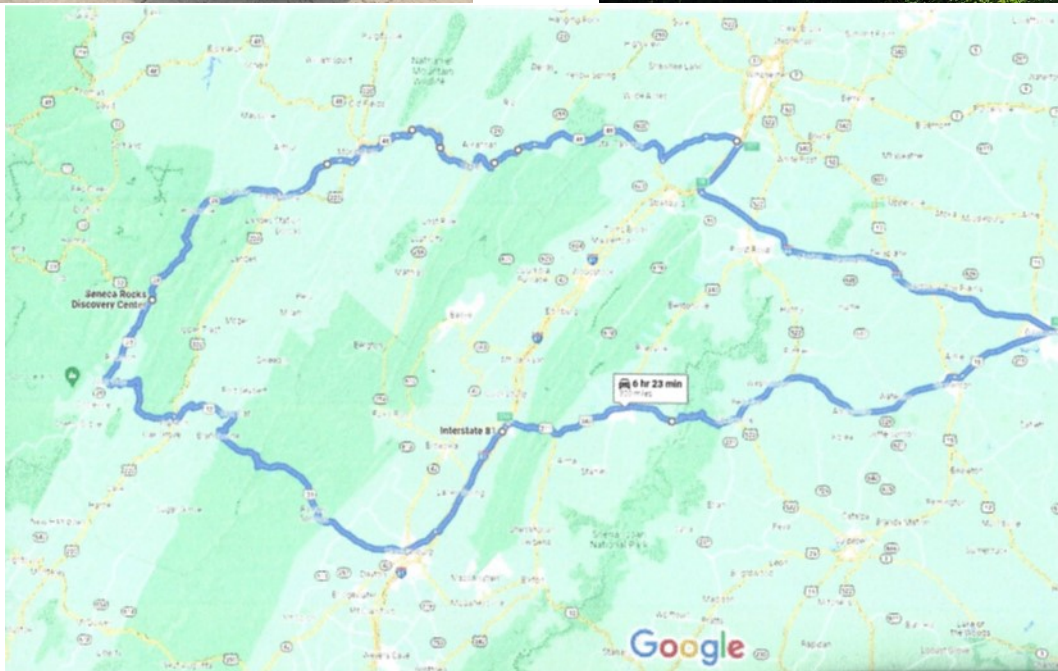

Lunch at Baby Blues BBQ in Moorefield and then seven cars meandered south to the Seneca Rocks Discovery Center. The Discovery Center is a nice place to take a break with an awesome view of the rock face, displays and restrooms.

After Seneca Rocks was the best leg of our tour, Rt 33 to Harrisonburg. It's a beautiful country drive mixed with the

best mountain twisties.

We then merged onto a somewhat congested 81N for about 25 miles and exited for Luray via Rt 211. Six cars completed the Big Loop and we relaxed and enjoyed an ice cream treat to top off the day. We then dispersed at different times to head home. But, the proverbial icing on the cake for me was having the eastward uphill section of Rt 211 twisties through the Shenandoah National Park all to myself!

It's that time of year to head to the Flying Circus !!

The barnstorming men and women of the Circus will be performing their fantastic flying skills for us on SUNDAY OCTOBER 3rd in BEALETON VA. We will meet in Haymarket at the SHEETZ at Rt 15/Rt 55 at 11:30A and leave promptly at noon. Arrival time in Bealeton will give us plenty of time to get our chairs set; grab a bite to eat from the concession stand and catch the pre-show festivities. Looks like we will have enough members/guests to get the group rate of \$11 per adult for anyone 13 or older ... which most of our members are!! Under 13 rate is \$8 while under 5 is free. It really is a great show with most excellent flying in beautiful aircraft. IF you like motorcycles, you'll see them,too, as it's Motorcycle Day at the Circus.

VIENNA HALLOWEEN PARADE 2021

Wednesday October 27, 2021 at 5 PM

Summer is almost over, and fall is just around the corner. What better way to get ready than to plan some fall fun! Northern Virginia Corvette Club will be participating again in the Vienna Halloween Parade. It is a fun event and we usually get a great showing. For many years now, we have participated as a club, and have placed ribbons almost every year since at least 2009 (since I have been running it).

**Car Decorations and Costumes are not required,
BUT STRONGLY ENCOURAGED!!**

There is a 20-car cap, so make sure to RSVP - first come, first served!

We are meeting to line up between 5-5:30 PM

(After 5:30-6 PM the roads close and are hard to get into the parking lot, so I urge everyone to come early). Our line-up # is TBD, but we typically are put in the **Danor Plaza Shopping Center** (off Maple Ave./Branch Rd) in front of **Fresh Market** (at the end of the shopping center).

Please make sure to **RSVP** with a good contact phone # in case anything changes the day of. When you arrive, you will sign the club waiver sheet and check-in with me (Lori Benish).

We will have dinner, if you want to join the group, at **Elevation Burger**, which is in the same shopping center, right around the corner from our cars. We will head over to Elevation Burger around 6 PM-ish. So, if you arrive after that, find us there to check and sign in. It does get busy, since it is limited options with the parade closing the roads down, so don't wait to order your food until last minute! The parade begins at 7 PM, but typically we do not roll out until after 7:30, plenty of time to get a bite to eat after decorating our cars.

Remember **NO BURNOUTS!** We are here to have fun, but also represent the club and make a safe environment for all the little kids that will be watching our super cool cars! Also, no throwing candy from the cars. Candy is allowed only if someone is walking along and hands out the candy, due to safety concerns for pedestrians.

DETAILS: BE AT DANOR PLAZA SHOPPING CENTER AT 5-5:30 PM

Danor Plaza: 142 Branch Rd Southeast Vienna VA 22180 (In front of Fresh Market)

DINNER WILL BE AT ELEVATION BURGER from 5:30-6:30 PM

Elevation Burger: 142 Branch Rd Southeast Vienna VA 22180 ph: 703-865-7277

Hope to see many of you there! RSVP for this event to:

THE PRESIDENT’S CORNER—SEPTEMBER 2021

Welcome to a busy September for the NVCC. This September began on a sad note. We learned that Ben Duling passed away on August 26th. Ben was a long time member, a long time Callaway Corvette owner and a friend to so many of us. Ben, was missed at Carlisle and will be missed in the days ahead. Fare thee well my friend.

Kris and Joanna McCandless stepped up to manage a successful Corvettes and Tacos car show at Cascades Plaza in August. This Yas and Doreen Kinashi an opportunity to join us at Carlisle. Even with so many members at Carlisle, Kris and Joanna had 17 cars at the show. Thanks to Kris and Joanna.

The yearly club get together at Carlisle was a success again this year. We had over 40 NVCC members register and as many make the show. Members received at least 3 awards for their cars and one member came in second in the exhaust competition (way to go Dave). The fairgrounds were close to the normal thousands of Corvettes on display this year. Let me extend my gratitude to all who pitched in. Hopefully next year will be even better.

Hanging out at Carlisle in the NVCC Tent

Rob Succolosky is leading a group out to Breaux Vineyards on Friday, September 24th. Hopefully I will be tagging along. There is nothing like a good vineyard and Breaux certainly fills that bill. Rob always does a great job leading an event and this should be a terrific one.

September 25th brings Yas and Doreen back to help with the Corvettes and Tacos car show at Cascades. If you can make it out for the show, this is consistently a good time. My fingers are crossed for good weather that morning.

Shawn Waddell, leads us back to Barboursville Vineyards on October 10th. Our resident Bacchus, Shawn, will provide those lucky enough to have reserved a spot a cruise to Virginia’s favorite winery. Once there, club members will have the opportunity to taste some excellent wines. Thanks to Shawn for putting this together.

If you gotten your registration in for Free State Corvette Club’s Corvette Weekend we should be in a good position for the parade. Many of you have cars worthy of awards at that event. I hope to see you in Ocean City.

The annual Corvettes & Crabs Rallye is on October 24th this year. There will be a Poker Rallye with the gimmick rallye. Kris McCandless found some great roads this year, many will have fresh pavement. Please join us. It will be fun.

If there are still slots for the Vienna Halloween Parade this year you should reserve one for your Corvette. Paul Benish and his lovely wife help to make this event really fun. Dress up, dress up your car and join in.

George Durk, will lead us once a gain to the Bavarian Inn in November. George finds great roads on the cruise and the food at the Inn is terrific. Hopefully the fall colors will still be there for us. The resort is very cool. Join this one if you can.

That's all for September. Perhaps the best tribute to a fallen NVCC member is to carry on with the friendships and cars that enrich all of our lives. So, as the weather is cooling, remember that our Corvettes are still hot and the friendships we have made are still warm. Please enjoy this fall with your friends in the NVCC. Forgive me if I've left anything out. You make the NVCC a joy to be a part of.

TRIVIA

By: Jeff Klain

1. What color was Ricky Bobby's C5 Corvette in Talladega Nights?
2. What model year was the earliest known Corvette race car, this "Daytona Beach "NASCAR Unit" was created by Chevrolet Engineering for NSACAR stock car racing? The car featured a stick shift and V8, both of which were not available during its model year. This is the earliest-known Corvette to run NASCAR sanctioned events and the earliest-known Corvette to ever race, thus a pioneer of speed and a fascinating chapter of Corvette and NAS-CAR history. The car came up for auction by Barret Jackson in 2015.
3. According to Road and Track: "Latvian designer Anatole "Tony" Lapine started his career at GM in 1951, in the height of the Bill Mitchell years. While there, he frequently collaborated with Larry Shinoda, who shaped the second-generation Corvette. Lapine served as the studio engineer for the 1963 Corvette Sting Ray." He later went on to work on the design of a car referred to as Germany's Corvette. This car featured an all aluminum V8 and aft mounted transmission, just like a C5, by way earlier. Name the car.

TAKE THEM OFF THE ROAD

IT'S about time the authorities did something about older drivers on our roads.

For far too long older drivers have caused havoc as they hog the left lane, stick to the speed limits, even the roadworks limits, and stop at stop signs, causing great inconvenience and often prevent others from doing whatever they like.

Another major concern is that by avoiding fines and demerits points, they are not doing their bit for the revenue of the state, and therefore placing a further burden on younger drivers.

Until older drivers can prove that they are proficient at weaving in and out of the traffic, driving while texting, tail gating, using drugs or doing burnouts they must be banned from holding a licence.

EDGAR ROHR ANNUAL AACA CAR SHOW

Thanks to all who showed up at Edgar Rohr annual AACA show, Classic Cars Under the Stars at Twilight Polo, and George's WVA mountain cruise. It was a tri-fecta weekend that we hope to repeat next year in even greater numbers. Corvettes cleaned up on trophies at the prestigious Rohr event. The Great Meadows foundation has offered NVCC a reserved area next year based upon this year's showing at the polo fields. And, for the first time, there were no trees across the road, falling ice cycles, or gravel roads on George's cruise! Just great twisty roads, beautiful weather, and comradery! Looking forward to Rob's cruise to the Breaux winery on Friday! Pics and videos are posted on our Facebook page.
